**Case No. 8:09CR272**

**ORDER**

This case is before the court on several motions, including Michael McCroy's Motion for Severance of Counts and Parties (#59) and Shannon Jackson's Motion to Sever (#61). On November 24, 2009 the government filed its Omnibus Brief in Response to Defendants' Motions (#75). After considering the motions to sever and the government's response, I find that I am in need of additional evidence before I can rule.

It appears from the record that the defendant, Shannon Jackson, made "jailhouse" statements which may reference the defendant Michael McCroy. Because McCroy may be prejudiced by the admission into evidence against Jackson of statements or confessions made by Jackson, and because that prejudice cannot be addressed by cross-examination if Jackson does not take the stand, I direct that the government, under Fed. R. Crim. P. 14(b) shall deliver to me for *in camera* inspection all statements made by Jackson that the government intends to use as evidence that implicate the defendant Michael McCroy. Following the government's submission and my inspection, I will rule on the motions to sever and, based upon those rulings, set the defendants' remaining motions for hearings.

**IT IS ORDERED:**

The government shall on or before **December 14, 2009**, submit for *in camera* inspection, any statements or confessions the government intends to use as evidence, made by the defendant Shannon B. Jackson which implicate the defendant Michael B. McCroy.

Dated this 1<sup>st</sup> day of December 2009.
